The Troops of Saint George Mission

The Troops of Saint George apostolate aims to use the outdoors as our canvas and the sacraments as our path to light the way for the formation of Holy Catholic men and boys. Whether called to the vocation of the religious life, or that of Holy fatherhood, our fathers and sons will take a prayerful pilgrimage together to fulfill Christ's desire for them to grow in virtue and in their Holy Catholic faith as they journey toward heaven.
- Saint George, Pray for us.

The Privilege of Being a Troop Officer

If you are reading this, you are a Catholic gentleman willing to spend his time and efforts for the training of young men in faith and virtue. May God bless you and reward you.

In our age, there is a crisis of manhood and fatherhood. The Officers of the Troops of Saint George stand as models of heroic virtue in our time of crisis. These young innocent eyes will look to you as you grow in Prudence, Justice, Fortitude, and Temperance. Young men will study your standard of perseverance in Faith, Hope, and Charity toward God and mankind. In order to help troops identify their Officers, here are the characteristics of Officers of Saint George.

Every officer of the Troops of Saint George:

1. holds firmly to the magisterial teachings of the Catholic Church
2. attends Holy Mass on Sundays and Holy Days of Obligation
3. has a special devotion to the Blessed Virgin Mary
4. loves his wife dearly and maintains a healthy marriage (if married)
5. provides for the spiritual education of his children (if a father)
6. honors his parents
7. does not practice contraception
8. is not given to drunkenness
9. is not given to profanity
10. loves adventures and challenges
11. possesses an entrepreneurial spirit
12. leads other men with humility

A man who lacks any of these qualities is not suited to be an officer in the Troops of Saint George. Chaplains and Committees should look for men who fulfill all twelve of the criteria above.

Structure of Your Local Troop

Troop Structure

- Every Troop has two youth sections, Senior and Junior Cadets.
- Every Troop has two adult sections, General members and Adult leaders (fathers, grandfathers, or male legal guardians of boys currently registered in the troop).
- The Senior Cadets consist of the older boys from 11 years to 18 years old (Grades 6-12).
- The Senior Cadets are subdivided into patrols of mixed ages. The patrol names should be named after Catholic saints or blessed. For example, the Saint Sebastian Patrol.
- The Junior Cadets consist of younger boys from 6 years to 10 years old (Grades 1-5).
- The Junior Cadets are subdivided into patrols named after the Four Evangelists and our namesake, Saint George. Saints Matthew, Mark, Luke and John authored the Canonical Gospels. Their works provide the accounts of the life of our Lord, Jesus Christ. From His birth, ministry, death and foretold resurrection, the Evangelists provide us with the historical facts to which Catholic tradition is founded. Their importance in our lives and in our faith is immeasurable, and since it forms the basis for the Catholic faith, they will form the basis for our ranks on our journey towards the honor of Tribune. Our Junior Cadets will honor each of these men by carrying their name and historic symbol during the first four years with the Troops.
 - 1st grade: St. Matthew's Angels Patrol: Matthew the Evangelist is symbolized by a winged man, or angel.
 - 2nd grade: St. Mark's Lions Patrol: Mark the Evangelist is symbolized by a winged lion, a figure of courage and monarchy.
 - 3rd grade: St. Luke's Oxen or "Bulls" Patrol: Luke the Evangelist is symbolized by a winged ox or bull, a figure of sacrifice, service and strength.
 - 4th grade: St. John's Eagles Patrol: John the Evangelist is symbolized by an eagle, which is believed to be able to look directly upon the shining sun without hesitation. In comparison, our Lord Jesus Christ has the ability to look directly upon the majestic glory of God the Father.
 - 5th grade: St. George's Dragon Slayers Patrol: The dragon St. George slayed represents Satan and all evil forces in this world. Each man is called to "slay his dragons" or overcome the forces of evil in his life and in the lives of others.

Youth Leaders

- The Troops of Saint George is "boy led," which means that the onus of planning and facilitation should be placed on the Senior Cadet boys. The Junior Cadet boys (grades 1-5) will find their leaders in adult Lieutenants.
- The *Sergeant*, a boy elected by his peers, leads the Senior Cadets of the troop.
- The *Corporal* is a boy elected by his peers who serves as the assistant to the troop's Sergeant.
- The *Patrol Leader* (Private 1st Class Rank) is elected for each patrol and leads that particular patrol.
- The *Assistant Patrol Leader* (Private Rank) is elected for each patrol and assists his Patrol Leader.

Youth Elections

- The Sergeant, Corporal, and Patrol Leaders are elected by the boys of the Senior Cadets for a 1-year term beginning Sept 1 and expiring on August 31.
- A boy can only serve as Sergeant once, unless the Captain dispenses of this rule for good reason.

Adult Leaders

- Each troop is led by adult leaders: a *Captain* who is assisted by *Lieutenants*.
- All adult leaders must be:
 - Catholic men in good standing of high moral caliber
 - Fathers, grandfathers or male legal guardians of boys currently registered in the troop
 - recommended by a Catholic priest in good standing
 - vetted and appointed by the Troop Committee

Captain

- Chief executive leader of the troop
- Responsible for insuring that ALL adult officers have received and are current with the local diocesan safe-conduct course certification/background check, as well as submitting his own with each year's charter.
- Appointed by the Troop Committee for a 1-year term beginning Sept 1 and expiring on August 31. No term limits.
- Chief liaison between the Troop, the priest/chaplain and the TSG National team.
- Leader of the adult officers and Chief mentor in virtue to the boys.

Chaplain

- Catholic priest in good standing with the local diocese.
- Provides Holy Mass, Confession, and Spiritual Direction to the Troop.
- May provide the local parish as a place for Troop meetings.

1st Lieutenant

- The 1st Lieutenant is an adult male leader or “officer” that assists the troop’s Captain.
- The 1st Lieutenant is appointed by the Captain with the troop committee’s approval.
- The 1st Lieutenant is second in command and can be delegated by the Captain to act in his stead.
- 1 year term beginning Sept 1 and expiring on August 31. No term limits.

2nd (Patrol) Lieutenants

- The 2nd Lieutenants are adult male leaders or “officers” that assist the troop’s Captain and 1st Lieutenant.
- The 2nd Lieutenants are appointed by the Captain and 1st Lieutenant with the troop committee’s approval.
- A 2nd Lieutenant Leads each of the Junior Patrols (St. Matthew, St. Mark, St. Luke, St. John, and St. George), as well as the Senior Patrols and ideally should be the father or legal guardian of a boy in his patrol.
- Ideally, there should be a 2nd Lieutenant for every 7 boys in the troop.
- 1 year term beginning Sept 1 and expiring on August 31. No term limits.

2nd Lieutenant Coordinator Positions

- The 2nd Lieutenants Coordinators are adult male leaders or “officers” that assist the troop’s Captain, 1st Lieutenant and 2nd (Patrol) Lieutenants.
- The 2nd Lieutenants are appointed by the Captain and 1st Lieutenant with the troop committee’s approval.
- Each troop will have two 2nd Lieutenant Coordinator leadership positions in the Religious and Campout /Activities Coordinators.

- The **Religious Coordinator** is a mandatory adult leadership position. This adult leader is responsible for the coordination of all religious activities during a TSG troop event (i.e. confirming the celebrant and all necessary items to celebrate the Holy Sacrifice of the Mass on a campout, leads the rosary, etc.)
- The **Campout / Activities Coordinator** is the secondary mandatory adult leadership position. This position works with the adult and youth troop and patrol leadership to set the campout / activity agenda and schedule. This role also coordinates the meals, purchasing of food and supplies and keeps leadership informed on the budgetary expense for the campouts and activities. Lastly, while on a campout or during an activity, this role coordinates a sharing of duties system. See Addendum for further details and suggestions for this role.
- 2nd (Patrol) Lieutenants may serve in one of these troop coordinator capacities as well as lead a Junior or Senior Patrol if needed. However, if your troop is large enough, it is recommended to divide and conquer the roles with other adult troop members.
- Co-Coordiators are recommended as your troop size increases.
- 1 year term beginning Sept 1 and expiring on August 31. No term limits.

Adult Support Roles

- These non-leadership positions support the mission of the adult and youth troop members and will sign up through the Troop's Captain and 1st Lieutenant as the need for the role is requested.
- Examples of non-leadership adult led support roles include: Troop Treasurer, Web / Communications Chair, and Recruitment / Registration Chair. Your troop may create other support roles as the need arises.
 - **Troop Treasurer:** Beyond keeping track of dues and activities / camping fees, this support role will process expenses as applicable, as well as keep track of bank transactions in preparation for filing the troop's taxes each year.
 - **Web / Communications Chair:** Beyond basic web development, whether on the troop's National TSG website page or on the troop's personalized website or other social media, this support role will make sure the website content is current and communicate upcoming activities to the troop and interested parties. Mail Chimp is an example of a mass emailing tool that is free up to a certain volume of profiles built, and allows for personalized templates and emailing lists.
 - **Recruitment / Registration Chair:** This support role will work with the local parish, homeschool forums / networks, Catholic schools and Catholic Radio / Television to share marketing materials and announcements of local troop activities and community involvement with the goal of recruiting more men and boys to the local troop. As new members and boys join the troop, this support role will also keep a tracking mechanism for an accurate troop census and efficient reporting to the troop Captain, to which will report census updates each chartering season and as they occur to the National TSG HQ.
- 2nd (Patrol or Coordinator) Lieutenants may serve in one of these troop support capacities as well as lead a Junior or Senior Patrol or Coordinator position if needed. However, if your troop is large enough, it is recommended to divide and conquer the roles with other adult troop members.
- Co-chairs are recommended as your troop size increases.
- Terms can be determined by individual troops.

Troop Committee & Troop Appointments

- The Troop Committee consists of the Chaplain (only perpetual member), Captain, Lieutenants, and at least 3, but no more than 7, fathers, grandfathers or male guardians of boys currently registered in the troop (all male and all strong Catholics in good standing).
- Troop committee members are invited by a majority vote of the existing members.
- The Troop Committee appoints the Captain of the troop every May, no later than May 31st for installation September 1. If a Captain or Lieutenant is not re-appointed in May, he is no longer a member of the Committee as of August 31st.
- The Troop Committee is responsible for vetting, insuring and filing documents locally that ALL Adult Officers are current with the local diocesan safe-conduct certification /background check, as well as reporting appointments to Headquarters no later than September 1st through the chartering process. During this same annual chartering process, the Captain's diocesan safe-conduct/background check must be submitted to Headquarters.

Relation to Headquarters

The Troops of Saint George (TSG) is an international religious and educational resource program in the Catholic tradition. TSG charters religious or educational organizations or parishes to use its logos, trademarks, copyrighted material, curriculum, and ranking system as part of their service to participating troops who have been recognized and accredited by TSG.

TSG provides the support service necessary to help individual troops succeed in their use of the program. The responsibilities of both TSG and your troop are described below.

NOTICE REGARDING LIABILITY AND INSURANCE

- Individual troops are encouraged to obtain liability insurance for outdoor activities including accident liability coverage for campouts and meetings. Such insurance policies protect the leaders, fathers, legal guardian parish, and priests from liability. Individual troops are encouraged to check with their parish to see if their troop can be covered by an existing policy. In the U.S. only, TSG offers each chartered troop, and its members, an Accident Insurance policy.

- TSG explicitly mandates that a waiver of liability be signed by a boy's parent/guardian before participating in any activity that is promoted, sponsored, or in any way affiliated with TSG or a local chartered troop. Such waiver shall release TSG, the Board of Directors of TSG, its officers, agents, diocese, bishop, chartered churches, associated clergy, and employees (hereinafter referred to as RELEASEES) from any and all liability, damages (including attorney's fees), claims, demands, actions, and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by anyone, or to any property belonging to anyone, while participating in such activity, while in, on or upon the premises where the activities are being conducted, REGARDLESS OF WHETHER SUCH LOSS IS CAUSED BY THE NEGLIGENCE OF THE RELEASEES, or otherwise and regardless of whether such liability arises in tort, contract, strict liability, or otherwise, to the fullest extent allowed by law. (See optional waiver, Form TSG-15.01 "Waiver of Liability" in the Addendum Section).

- TSG does NOT own or possess your individual chartered troop. An individual chartered troop is its own legal entity. The troop stands alone and receives accreditation from TSG.

- Troops applying for accreditation by the TSG must not simultaneously be associated or incorporated with another organization for boys. For example, one could not be accredited as a Troop of Saint George and simultaneously be a unit for the Boy Scouts of America, Trail Life USA, or Federation of North American Explorers.

Your Individual Chartered Troop Agrees to:

- Conduct the TSG program according to its own policies and guidelines as well as those of TSG.
- Promote TSG as one part of its general program for youth and families in the local community and Catholic parish.
- Recognize a Catholic priest in good standing as Chaplain who is willing to provide prayers for and spiritual counsel to the fathers and young men of your troop. The amount of time provided to the troop's spiritual needs is at the discretion of the priest.
- Select a "Troop Committee" of Catholic fathers, grandfathers or male guardians of boys currently registered in the troop (at least 3) who will screen and select troop leaders who meet the parish's/organization's standards as well as the standards and mission of the TSG.
- Appoint an adult Catholic male "Captain" who is a member of the parish/organization and will coordinate all of your local troop operations. The Captain must complete the necessary Diocesan Safe Conduct course for adults working with children AND have a letter of positive reference from a Catholic priest in good standing before TSG will recognize the male leader as Captain. *(The priest's letter of reference and the Captain's proof of completion of the Diocesan safety course must be submitted at the time of chartering and reconfirmed / renewed annually each charter season.)*
- Once appointed, the Captain must approve all leadership positions and verify that personal references and any previous experience working with youth in other organizations have been checked before recognizing them as adult leaders. It is the sole responsibility of your local Troop Committee and Captain to vet the adult leaders of your own local individual troop and insuring these adult leaders are current with the local diocesan safe-conduct certification /background check.
- It is the Captain's responsibility to disseminate this Officer's Manual to all Lieutenants and adult members.
- Provide adequate facilities for your troop to meet on a regular schedule with time and place reserved.

The Troops of Saint George Agree to:

- Respect the mission and goals of your troop and its sponsoring parish or organization.
- Allow the use of logos, trademarks, copyrighted material, curriculum, and ranking system which are proprietary to TSG.
- Communicate information regarding TSG to the Captain of your troop.
- Provide information and resources, such as camping facilities, to your bishop, your troop chaplain, and your local sponsoring parish or organization, as well as a staff to assist and respond to the questions of the local troops' adult leaders, bishop and chaplain.
- Encourage the men and young men to participate in the life of their parish through serving at the altar, men's groups, processions, and volunteer projects.

Annual Charter Fees and Dues

TSG is a charitable organization that is tax exempt under Section 501(c)(3) of the Internal Revenue Code.

In order to cover costs relating to support for captains, support for clergy, a website, logos, trademarks, copyrighted material, curriculum, legal fees, advertising, accident insurance (U.S. only), patches and administration costs, TSG receives:

*US \$150 Originating Charter Fee / US \$80 Annual Re-Charter Fee
US \$30 in annual dues from each registered member (Adult and Cadet)*

How to Calculate Your Troops Annual Charter Fees and Dues

In order to calculate your troop's annual dues, please multiply the GRAND TOTAL number of registered members (Adult and Cadet) in your Troop by US \$30.¹

For example, if your troop is in its originating charter and has a grand total of 20 adult and cadet members, the calculation would be as follows:

$$20 \times \text{US } \$30 = \text{US } \$600 + \text{US } \$150 \text{ Annual Originating Charter Fee} = \text{US } \$750$$

- For all payments not utilizing the preferred online Captain's portal, please include the proper amount of fees/dues, notate the Troop # and make the check payable to "Troops of Saint George".
- Maximum in annual dues per family per chartering year is 4 registered members.

What about members who join our troop later in the year?

TSG allows for a reduction of dues for members joining a troop on or after April 1st of a chartering year. The annual dues are reduced to US \$20 per registered member. Members who join after a troop is chartered, but prior to April 1st, will be required to pay their full dues of US \$30. Please note: ALL members are still afforded all the same benefits, such as accident insurance, patches, and shields.

As members join after the annual chartering process, collect the dues and send payment via the preferred online Captain's portal or via check payable to "Troops of Saint George". Please be sure to indicate your Troop # on the check's note line and include a note with the grade level of the new member(s) for proper patrol level accounting.

¹ If your troop does not employ US currency, calculate the equivalent of US dollars in your currency.

Safety

Three Person Rule

An adult can never be left alone with another boy at any time during a meeting, campout, or other activity sponsored by the Troops of Saint George. If there is one boy, there must be two adults. The exception is when the adult and boy are father (legal guardian) and son.

Tenting

While fathers (legal guardians) are required to tent with their sons, they are strictly prohibited from tenting with a child other than their own. Senior cadets may tent with other senior cadets.

Alcohol Prohibition

While our adult leaders are gentlemen and know the sinfulness of drunkenness, the Troops of Saint George prohibits alcohol on campouts since alcohol is difficult to secure in tents and alcohol inhibits judgment. Adult leaders must be sharp and fully responsive to any accidents or situations that might occur on campouts and outdoor activities. Therefore alcohol is strictly prohibited.

Tobacco Usage

Adult leaders and members are required to remain a minimum distance of 100 yards from all Cadets while using tobacco products.

Medical Bag or First Aid Kit

Each troop should purchase or acquire an advanced medical bag or first aid kit suitable for treating emergency wounds and accidents.

First Aid Safety Course

Every troop should have an adult leader who is trained in CPR and basic first aid.

Knife Safety Course

The Captain should arrange for knife safety courses for the young men and boys. This course can be provided by any adult leader of the troop. Any boy using a knife in an irresponsible way loses his knife and license to use his knife at the discretion of the Captain.

Snake Awareness Course

The Captain should provide for an annual snake awareness course describing the various venomous snake of the local region. This course can be provided by any adult leader of the troop.

Swimming

Boys are not allowed to swim without adult or leader supervision. All swimming activity should observe the buddy system. No one swims alone. Please consult your own troop liability insurance provider concerning the rules and limits of water sports. TSG recommends that the parents/guardians of boys sign a liability waiver for all activities involving water and swimming.

Dangerous Outdoor Activities

Rock-climbing, rappelling, horseback riding, archery, and other activities could lead to serious injuries and even death. Please consult your own troop liability insurance provider concerning the rules and limits of these activities. TSG recommends that the parents/guardians of boys sign a liability waiver for these dangerous activities.

Geographical Safety

If a certain safety measure or class might apply to your Troop's geographic region (e.g., avalanches, dangerous animals, extreme climate, etc.) please contact TSG headquarters about instituting a safety class or program to address the local need so that your officers and cadets are informed and prepared.

Moral Infractions and Discipline

Sexual Molestation or Harassment

If an adult leader, Captain, Lieutenant, Committee Member, any volunteer, or another boy in the troop is involved in the sexual molestation, harassment, or other impropriety toward another adult or boy, take immediate action without letting one single day pass:

- Notify the police immediately
- Notify the Captain and/or Lieutenants immediately
- Notify the Chaplain immediately
- Notify the parents/guardian of the boy immediately

Infractions Against Catholic Decency

If an adult leader, Captain, Lieutenant, Committee Member, any volunteer, or another boy in the troop is engaged in activity contrary to moral values of the Troops of Saint George, he should be given one warning and then expelled from the troop. If the infraction is deemed extreme, the Captain may dismiss the member immediately.

Examples of infractions against Catholic decency might be:

- cursing
- dirty jokes
- taking God's name in vain
- blasphemy
- stealing
- lying
- cheating
- disrespecting leaders

The Captain and/or Lieutenants should meet with the boy's parents/guardians before any action is taken.

If the Captain or a Lieutenant is engaged in indecent behavior, either publicly or privately, he should step down or be removed by the Chaplain and Troop Committee without delay.

Troops of Saint George Law, Motto, Oath and Trinitarian Salute

The Law

The Troops of Saint George Law was written by Saint Peter, our first Pope:

1. “Honor all men.
2. Love the brotherhood.
3. Fear God.
4. Honor the King.” (1 Peter 2:17)

The Motto: Parati Semper

The motto of the Troops of Saint George is “Parati Semper”, which also comes from Saint Peter, our first Pope:

“But sanctify the Lord Christ in your hearts, being prepared always (*parati semper*) to satisfy every one that asketh you a reason of that hope which is in you.” (1 Peter 3:15)

“Dominum autem Christum sanctificate in cordibus vestris *parati semper* ad satisfactionem omniposcenti vos rationem de ea quae in vobis est spe.” (1 Peter 3:15, Latin Vulgate)

The Oath

The Troops of Saint George Oath was written by the Apostle Paul (1 Timothy 4:12), and defines the five traits of the man who seeks to be a disciple of Our Lord Jesus Christ by patterning his life after Saint George of Lydda.

“Set an example:

1. in speech (in verbo)
2. and conduct (in conversatione)
3. in love (in caritate)
4. in faith (in fide)
5. in purity (in castitate).” (1 Timothy 4:12)

The Trinitarian Salute

The Troops of Saint George salute their officers, the national flag, banners of the saints and Our Lady, and crucifixes with the “Trinitarian Salute” – three fingers of the right hand (index, middle, ring) out, and with the pinky and thumb joined signifying that the divine nature of Christ is joined to His human nature: fully God and fully man as taught at the Catholic Council of Chalcedon in AD 431.

Troops of Saint George Patrol and Advancement Criteria

Guiding Principles

New Youth Members:

- All new Saint Matthew's Angels will receive their patrol patch at the start of the charter year.
- As new members join at higher ranks, the Troop's Captain will verify that certain mandatory requirements from each of the missed levels are met prior to awarding the new member's patrol patch, which is determined by age and grade level.
- If a new member joins at the Senior Cadet age / grade level, the Dragon Slayer award must be attained, with all requirements being met as verified by the Troop's Captain, prior to receiving any Senior Cadet Patrol patches, Achievement Course (AC) stars or youth leadership roles.

Special Needs:

- A boy with special needs is welcome to join the Troops of Saint George. He is able to advance through the ranks and patrols according to the Troop Captain's discretion and the boy's individual abilities.

Promotion / Installation Ceremonies

- At the end of the Troop's season, and after the troop's 2nd Lieutenants, 1st Lieutenant and Captain verify each individual member have met that year's requirements, the Troop will hold an end of the year Promotion Ceremony.
 - Junior Cadets will receive a certificate representing completion of their Junior Cadet requirements for that year. At the beginning of the next chartering year, their earned patch will be delivered.
 - **Achievement Course completion Stars** (one for each four courses completed for a total of 4 available stars) will be distributed at the yearly chartering season (as requested) with a second distribution mid-year. Submissions for the mid-year distribution will be taken the month of March, with a deadline of March 31st and mailing the first couple of weeks in April annually.
 - **Adult members are not eligible for the Achievement Course (AC) stars, but their sons have access to a gold bordered AC star for each four AC's completed with their son(s). TSG highly recommends this be done, as a means of promoting our mission ("...our fathers and sons will take a prayerful pilgrimage together...")**
 - The **Tribune** may be awarded at the end of the year ceremony, but due to the special nature of this accolade, TSG encourages ad hoc ceremonies at local troop meetings as the individual meets the Tribune requirements.
- At the beginning of each season, and after chartering, all requested patches will be sent to the local troops for a formal Installation Ceremony to kick off the new year.
- Creativity is encouraged at the local level for both of these ceremonies.

Rankings and Requirements for Junior Cadets

Below you'll find the rankings and requirements the Junior Cadets (ages 6-10) in the Troops of Saint George. A boy cannot become a Junior Cadet in the Troops of Saint George until he reaches his sixth birthday. In order to understand a cadet's entrance into his Patrol, we will need to explore two possible scenarios:

- Cadets new to the Troops of Saint George – If entering at the Saint Matthew level, they are required to complete all requirements. In the event a Cadet enters into a Junior Patrol at a level higher than Saint Matthew (due to age and grade), the new Cadet must complete the Mandatory requirements for each patrol he passed. The Troop Captain, 1st Lieutenant, or his patrol's 2nd Lieutenant, should properly vet the new Cadet by verifying the completion of ALL mandatory requirements prior to awarding the cadet with his patrol patch. Although the other requirements are not "mandatory", their completion is highly encouraged to aid the Cadets' formation.
- Current Cadets, whom have re-chartered with their troop are required to have completed ALL requirements before promotion can ensue.

A note on Junior Cadet Requirements.

At the Troop's Captain's discretion, a requirement may be waived based on a youth's ability in order to advance with his patrol, however, all **mandatory** requirements must be completed.

The following requirements will be noted as "Mandatory requirements**" if they are underlined**

St. Tarcisius, pray for us!

St. Tarcisius was a 12 year old acolyte, possibly of the pope, in the 3rd century during a harsh Roman persecution. Mass was secretly held in the catacombs for fear of imprisonment. A deacon would make a clandestine visit to the prisons and bring the Holy Eucharist to the Christian prisoners. One day, there was no deacon, and as an acolyte, St. Tarcisius desired to bring the Holy Eucharist to them. Although, when he was en route, a group of unruly non-Christian children wanted to know what he was doing. He did not want to play their games and they began to taunt him. They discovered he was hiding something, and began to beat him to see what he was hiding. Christians came to his aid, but his injuries were too severe. He died protecting our Lord and Savior, Jesus Christ, in the Holy Eucharist.

During the 4th century, Pope St. Damasus wrote a poem about this "boy-martyr of the Eucharist." He compared him to the first Christian martyr, St. Stephen, who was stoned to death for the love of Christ. The story of St. Tarcisius was heroically depicted in Cardinal Wiseman's novel, *Fabiola*. He is the patron saint of altar servers and encourages great devotion, attention to detail, carrying oneself with dignity, and the courageous protection of the Holy Eucharist and the Liturgy of the Word.

Objective: To learn how to serve the Rite of Mass used at your home parish.

Per the Handbook for Altar Servers by the Archconfraternity of St. Stephen, “To serve at the altar, as to sing in the choir, is next to the priesthood the highest privilege which a human can enjoy. He represents the faithful and takes a most intimate part in the rich treasures of the church’s liturgy and ceremonial. Those sacred ceremonies should be carried out with devotion, dignity, and attention to detail.”

Achievement Course: Apologetics
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: 3-6 months

St. Justin Martyr, pray for us!

St. Justin Martyr is the patron saint of Catholic apologists. He was born at the beginning of the second century and studied pagan philosophy. He turned to Christianity after finding the source of Truth, which the pagans weren't able to explain. He was astounded by the zeal and love shown by the Christian martyrs and converted to Christianity. He opened a school in Rome to teach Greek philosophy through the lens of Christianity. As an apologist, he wrote on defending the Christian Faith. He was martyred for the Faith around 165 by Emperor Marcus Aurelius.

Objective: To demonstrate how to defend your Catholic Faith in charity and love while drawing others closer to Christ.

- I. Requirements (*Italics are explanations for the Officer's Manual as provided by Dr. Taylor Marshall*)
- A. Define the term "apologetics" *Apologetics comes from the Greek word "apologia" meaning "a defense." Apologetics is the task of defending the Catholic faith against objections to our faith and morals as revealed in Sacred Scripture and Sacred Tradition.*
 - B. Where do we get the word apologetics? *The word apologetics comes from our first Pope Saint Peter in 1 Peter 3:15: "Always be prepared to make a defense (apologia) to anyone who calls you to account for the hope that is in you, yet do it with gentleness and reverence."*
 - C. Saint Peter asks us to do apologetics with two attitudes.
 - D. What are those two attitudes? *See 1 Peter 3:15: "gentleness and compassion." We should be gentle and kind to those who disagree with us. We should have compassion because they do not yet know the joy of being a Catholic.*
 - E. Write a one page report on three of the following great defenders of the Catholic Faith and explain which heresies each refuted. If they wrote monumental books, be sure to include them in your essay.
 1. Choose 3 of the following Catholic apologists:
 - a. Saint Justin Martyr
 - b. Saint Augustine of Hippo
 - c. Saint Leo the Great
 - d. Saint Cyril of Alexandria
 - e. Saint John of Damascus
 - f. Saint Thomas Aquinas
 - g. G.K. Chesterton
 - E. Defending many misunderstood Catholic doctrines of our time.
 1. Be able to answer the following objections that people make against Catholicism.
 2. We have included notes to help you refute these errors, but please feel free to use other resources.
 3. Sit with your TSG officer and refute the following errors without notes or a script
 - a. Refute: "Catholics worship Mary."
 - i. Catholics don't worship Mary, we honor her. "Honor your father and mother is a Commandment that Christ follows. We imitate Him in honoring His mother.
 - a. Refute: "Praying to saints is wrong. You should only pray to God."
 - i. Saints are our brothers and sisters in Christ. They pray for us to God just as we on earth pray for each other. All their human prayers go to God the Father through Jesus Christ – just like our human prayers.
 - b. Refute: "The Eucharist is just a symbol. It's not really the Body and Blood of Jesus."
 - i. Jesus says "this is my body" not "This symbolizes my Body." Also John 6 says, "My flesh is food indeed and my blood is drink indeed."
 - c. Refute: "Mary is not the Mother of God."
 - i. Mary is not the Mother of the Trinity or the Mother of the Divine Essence of God. She is the Mother of Jesus Christ who is God the Son. Since God the Son is a Person, she is His mother. Mothers are not mothers of natures, they are mothers of persons. Therefore, Mary is the Mother of God the Son. Luke 1:43 also calls Mary "the Mother of my Lord."
 - d. Refute: "Why do you worship the Pope? The Pope is not infallible."
 - i. We don't worship the Pope. We honor him as the successor of Saint Peter. Christ changed Simon's name to "Peter" in Matthew 16:18 and gave to

him the “keys of the kingdom” so that he could bind and loose in Christ’s name. The power of these keys is passed down over time to the Popes. He is man like us, but the power of the keys prevents him from dogmatically declaring ex cathedra error in the Catholic Church regarding doctrine and morals.

- e. Refute: “Purgatory does not exist.”
 - i. Saint Paul in 1 Cor 3:15 says that some people are “saved through fire.” This refers to people who are saved (going to heaven) but first must pass through a cleansing fire, which we call “purgatory.”
 - f. Refute: “You should not baptize babies because they don’t know what’s going on. You should only baptize adults.”
 - i. Saint Peter taught that Christian baptism was also for the children of believers, when he said, “Peter replied, “Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins...this promise is for you and your children.” This follows the Old Testament practice of placing the sign of circumcision on adult believers and the children of believers. See Col 2:11-12.
 - g. Refute: “Abortion is not wrong.”
 - i. Human life with unique DNA begins when a human sperm and egg meet and form a new human life. We do not have the right to invade a woman’s body and destroy that new life. Each life has a soul and is special to God.
 - h. Refute: “You don’t need to confess your mortal sins to a priest. Just confess them straight to Jesus.”
 - i. It’s true that only God can forgive sins, but Jesus Christ shares this power with Catholic priests as we read in the Gospel. Jesus Christ, on the night of the day He rose again (the first Easter) gave to the Apostles the power to forgive sins or not to forgive sins: “if you forgive the sins of any, their sins are forgiven, if you retain the sins of any, their sins are retained.” (John 20:23) Christ gave this power to the human Apostles and it is passed down over time through the bishops to the Catholic priests of the world.
- F. Make sure that you or your family own the tools that you need for Apologetics
1. A Catholic Bible – TSG recommends the Douay Rheims Challoner Bible or the Revised Standard Version – Catholic Edition.
 2. The Catechism of the Catholic Church
 3. The Compendium of the Catechism of the Catholic Church
- (If your family does not have these resources, ask your parents to acquire them or save money to purchase them.)

St. Paul, pray for us!

St. Paul is the patron saint of tent makers. Acts 18:3 states that Paul went to Corinth and “went to visit them and, because he practiced the same trade, stayed with them and worked, for they were tentmakers by trade.” Camping during biblical times was very commonplace. In Exodus, we find the Israelites following the cloud by day and fire at night. When either one stopped moving they were to set up camp. Also, in Hebrews 11:9 we find that Abraham “sojourned in the promised land as in a foreign country, dwelling in tents with Isaac and Jacob.”

Objective: To demonstrate the ability to camp safely and effectively.

Outdoor experiences offer a place to experience God's creation, to test the competencies that have been learned in meetings and study, and to build confidence. Through these activities, all the program elements of the Troops of Saint George come together. The monthly activities at the meetings can focus towards the outdoor activity that the leaders have planned. The patrols can work together to learn and demonstrate competencies, as well as have fun and enjoy exciting experiences or complete service projects, and they can also compete with one another to add additional motivation for learning skills. Outdoor activities take Cadets and Officers out of their comfort zone, making them stretch to accomplish what once may have seemed difficult, and thus develop confidence.

Achievement Course: Ecology
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: 2-4 months

St. Francis, pray for us!

In 1979 St. Pope John Paul II named St. Francis of Assisi the patron saint “of those who promote ecology.” St. Francis often prayed outside and lived in various hermitages, caves, lean-tos, and mountainsides. He had a great affinity towards God’s creation including the land, animals, birds, fish, and people. One day while praying in the Chapel of San Damiano he heard a clear voice from the crucifix say “Francis, go and repair My Church, which you can see has fallen into ruin.” He started to fix the physical church, only to realize that he was supposed to help repair God’s entire church family. He preached all over the land and was given the precious gift of the stigmata which showed the wounds from Christ’s passion.

Objective: To understand God’s creation more deeply and serve to protect it.

Achievement Course: Financial Stewardship
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: 3-6 months

Blessed Frassati, pray for us!

Blessed Pier Giorgio Frassati was a young man from an influential family in Italy who lived and died in the first quarter of the 20th century. He climbed mountains, smoked cigars, had fist fights to protect his family and he knew the value of money. In fact he maintained a ledger of income and expenses because he was serious about being responsible with his money so he could relieve suffering in his community. And he did! When Pier Giorgio died from polio at age 24; his family, had no real idea of how he had dedicated himself to the poor. They were overwhelmed by the many thousands of people who turned out to mourn his passing. Money can be a tool to be used for great good if you learn the basic principles set forth in this Achievement Course. “If you have God as the center of all your action, then you will reach the goal”... Blessed Pier Giorgio Frassati.

Objective: To develop a basic understanding of financial responsibility and how it can be used to further the Kingdom of God.

One day the young men of the Troops of St. George will likely have the vocation of marriage or religious life. Those that become future fathers will assume the primary responsibility for the financial provision of their family. In order to do so, they need to understand what money is, what it is not, and how it can be used to further the Kingdom of God.

- I. The link between faith and money
 - A. The Bible has arguably more references about money and what to do with money than any other topic. Why would God spend so much time talking about money? Because money, in many ways, is perhaps the single greatest threat to our faith. What does the Bible say about money?
 1. Look up the following Bible verses and read each with your father.
 - a. Genesis 14:18-20
 - b. Deuteronomy 18:3-5
 - c. Psalm 37:21
 - d. Malachi 3:6-12
 - e. Matthew 6:25-34
 - f. 1 Corinthians 16:2
 - g. 2 Corinthians 9:7
 - h. 1 Timothy 5:8, 6:9-10
 2. Discuss with your father what God is trying to teach us.
 - B. Tithing is a way to entrust your finances to the care of God the Father. If we will honor Him as Father of our finances by tithing, God promises to reward us with overwhelming blessings. Establish your trust in God by committing to give 10 percent of your earnings as a sign of your recognition of God's Lordship over your wealth.
 1. Read the story of Cain and Abel found in Genesis 4:1-16. Discuss with your father why Abel's offering was acceptable to God and Cain's was not.
 2. Commit to giving God your "first fruits". Ask God to help you be open to tithing.
- II. The role generosity plays in one's financial and spiritual life
 - A. What does the Bible say about almsgiving?
 1. Look up the following Bible and Catechism of the Catholic Church verses with your father:
 - a. Is 58:6-7
 - b. Mt 25:31-46
 - c. Tob 4:5-11
 - d. Mt 6:2-4
 - e. Lk 3:11, 11:41
 - f. Jas 2:15-16
 - g. CCC 2447
 2. Discuss with your father the difference between tithing and almsgiving.
 - B. Discuss with your father why it is important to give alms. Why do you think Jesus said, "It is better to give than to receive"?

- III. Basic Personal finance. Personal finance deals with obtaining, budgeting, saving, and spending over time. How you effectively deal with each one of these will help manage various financial risks and future life events.
- A. With the help of your father, choose an item that you want to purchase as a gift for a family member, friend, or charity. Before deciding, think about what you learned above in sections I and II. The purchase should be \$50 minimum.
 - B. With the help of your father, come up with a strategy for purchasing the gift identified above. Consider the following:
 - 1. Make a list of all the income sources (allowance, gifts, money from mowing the neighbor's yard, etc.)
 - 2. Make a list of all the expenses you have (tithing, almsgiving, savings, gas for the lawn mower, entertainment and food, birthday gifts for friends and family, etc.)
 - 3. Compare expected income with expected expenses with your father.
 - a. If expenses exceed income:
 - i. Will you do additional work to earn more income?
 - ii. Will you try to cut expenses?
 - b. If income exceeds expenses:
 - i. Determine how long it will take to save enough money to purchase the gift.
 - C. Where is the best place to place your savings?
 - 1. In a piggy-bank
 - 2. In a savings account
 - a. With your father, go to the bank to open a savings account. Or, make a deposit into your current account.
 - b. Discuss with your father and the banker what happens to your money.
 - c. Discuss why the bank is willing to pay you to let them hold your money for you.
 - D. Over the next 3 to 6 months, track your actual income, expenses, and savings with your father.
 - E. Make the purchase and present the gift.
 - F. Make a commitment to save at least 10% of your income
 - 1. Discuss with your father why it is important to save.
 - 2. Discuss with your father the concept of compounding interest and why starting to save now is better than waiting until you are older.

Achievement Course: Firemanship
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: Varies

St. Florian, pray for us!

St. Florian lived in the 3rd century in what is now known as Austria. He was a Roman officer during the Diocletianic Persecution when many Christians were murdered. After holding strong to his Christian Faith he gave himself up to the governor, Aquilinus, when the Christians were being executed. He was scourged, half-flayed, set afire, and then drowned in the River Enns. He is the patron saint of firefighters. There are firefighter and first responder prayer groups in the U.S.A. that look to St. Florian for his intercession during their difficult times.

Objective: To execute proper fire-starting techniques and proper fire handling protocol.

In many survival situations, the ability to start a fire can make the difference between living and dying. Fire can fulfill many needs. It can provide warmth and comfort. It not only cooks and preserves food, but it also helps to purify water, sterilizes bandages, signals for rescue and provides protection from animals. The ability to create a fire is also a psychological boost by providing peace of mind and companionship

- I. Be able to establish a good location for your fire (and bad locations)
 - A. Is the area protected from the wind?
 - B. Is it suitably placed in relation to your shelter?
 - C. Will it concentrate heat in the direction you desire?
 - D. Has a supply of wood (or fuel)?
- II. Build a fire ring out of rocks- DO NOT USE WET ROCKS (They can explode)
- III. Know the difference between Tinder, Kindling, and Fuel
 - A. Tinder - a dry material that ignites with little heat (i.e. straw, dead evergreen needles, lint from pocket seams, charred cloth, cotton, dryer lint, etc.)
 - B. Kindling - is readily combustible material that you add to the burning tinder (i.e. small twigs, small strips of wood, heavy cardboard, etc.)
 - C. Fuel - is less combustible material that burns slowly and steadily once ignited (i.e. dry branches from the trees, dried animal dung, coal, etc.)
- IV. Learn and demonstrate each of the primitive ways to start a fire (you must make your own Bow and drill, and Fire-plow).
 - A. Flint and Steel - Strike a flint or other hard, sharp edged rock with a piece of carbon steel.
 - B. Fire-plow - Rub a hardwood shaft against a softer wood base. Cut a straight groove in the base and plow the blunt tip of the shaft up and down the groove.
 - C. Bow and Drill - You will need the following:
 1. Socket - The socket is an easily grasped stone (or piece of hardwood or bone) with a slight depression on one side. Use it to hold the drill in place and to apply downward pressure.
 2. Drill - The drill should be a straight, seasoned hardwood stick about 2 centimeters (~ 3/4 of an inch) in diameter and 25 centimeters long (~ 10 inches). The top end is round and the low end is blunt (to produce more friction).
 3. Fire board - A seasoned softwood board about 2.5 centimeters (~ 1 inch) thick and 10 centimeters (~ 4 inches) wide is preferable. The size is up to you. Cut a depression about 2 centimeters (~ 3/4 of an inch) from the edge on one side of the board. On the underside, make a V-shaped cut from the edge of the board to the depression.
 4. Bow - The bow is a resilient, green stick about 2.5 centimeters (~ 1 inch) in diameter and a string. The type of wood is not important. The bowstring can

be made of any type of sturdy cordage. You tie the bowstring from one end of the bow to the other, without slack.

- V. Learn and be skilled in the modern methods.
 - A. Matches - Demonstrate the ability to start a one match fire consistently.
 - B. Lighter - Demonstrate the ability to start a fire with a lighter.
 - C. Convex Lens - Angle the lens to concentrate the sun's rays on the tinder.
 - D. Battery - Attach a wire to each terminal. Touch the ends of the bare wires together next to the tinder so the sparks will light it.
- VI. Know the 4 ways to build a fire
 - A. Tepee - Arrange the tinder with a few sticks of kindling in the shape of a tepee (or upside down cone). Light the center. As a tepee, the outside logs will fall inward, feeding the fire.
 - B. Lean-to - Push a green stick into the ground at a 30-degree angle. Point the end of the stick in the direction of the wind. Place some tinder under this lean-to stick. Lean pieces of kindling against the lean-to stick (smallest to largest). Light tinder. As the kindling burns, add more kindling. Each time you add kindling, increase the size (or diameter) of the wood.
 - C. Cross-Ditch - Scratch a cross about 30 centimeters (~ 12 inches) in size on the ground. Dig the cross 7-8 centimeters (~ 3 inches) deep. Put a large wad of tinder in the middle of the cross. Build a kindling pyramid above the tinder. Light tinder. Add kindling as needed.
 - D. Pyramid - Place two small logs parallel on the ground about 2 feet apart. Place a solid layer of small logs perpendicular to the first two logs. Add three to four layers of logs, each layer smaller than and at right angles to the layer below it. Make a starter fire at the top of the pyramid. As the fire burns, it will ignite the logs below. This gives you a fire that burns downward, requiring little to no attention during the night.
- VII. Start a fire using one of the three primitive methods.
- VIII. Start a fire using one of the modern methods.
- IX. Maintain the fire and Bank the fire to keep coals alive overnight.
- X. Discuss fire safety including Stop, Drop, and Roll.
- XI. Extinguish the fire properly before leaving camp.
 - A. Let the firewood burn to ash.
 - B. Pour a large amount of water on the fire and ALL embers. Continue to pour water until the "hissing" sound stops.
 - C. Stir the ash and embers with a shovel.
 - D. Scrape all wood to remove any embers.
 - E. With the shovel, stir and make sure it is all wet and cool to the touch.
 - F. If water is unavailable, you may use dirt.
 - 1. Mix a large amount of dirt and sand with the embers.
 - 2. Dirt and sand will need to be added and stirred until all of it is cool.

G. DO NOT bury the fire! This could lead to the fire smoldering, catching roots on fire and leading to a wildfire.

Achievement Course: First Aid / CPR
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: 3-6 months

Saint Camillus, pray for us!

The First Aid Achievement Course patron saint is Saint Camillus de Lellis, who with his father, was a soldier of fortune and an adventurer of sorts. Saint Camillus watched his father return to the sacraments after many years on his death bed and this made Saint Camillus want to return to his Catholic Faith. After many struggles in ridding himself of the bad habits he picked up in his life of being a soldier of fortune, he was able to serve others by providing medical attention rooted in the Love of God. But it was not enough for Saint Camillus to simply provide for the physical wellbeing of his patients, he wanted to also provide for their eternal wellbeing! Saint Camillus was ordained to the holy priesthood and founded an order called the Fathers and Brothers of a Happy Death. Saint Camillus was given permission for he and his brethren to wear the Red Cross and they were the first ones to go onto the battlefield. They tended to the spiritual and physical needs of the wounded wearing the Red Cross, which is now the international symbol of medical personnel.

Objective: To demonstrate how to care for the spiritual and physical needs of people you may be able to serve in a similar way to Saint Camillus.

Achievement Course: Fishing
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: 3-6 months

Sts. Peter and Andrew, pray for us!

The Patron Saints of fishermen are Saint Peter and Saint Andrew, who were both fishermen. St. Andrew was St. Peter's brother, and was called with him. "As Jesus was walking by the Sea of Galilee, he saw two brothers, Simon who is now called Peter, and his brother Andrew, casting a net into the sea; they were fishermen. He said to them, 'Come after me, and I will make you fishers of men.' At once they left their nets and followed him" (Matthew 4:18-20). St. John the Evangelist presents Andrew as a disciple of John the Baptist. When Jesus walked by one day, John said, "Behold, the Lamb of God." Andrew and another disciple followed Jesus. "Jesus turned and saw them following him and said to them, 'What are you looking for?' They said to him, 'Rabbi (which translated means Teacher), where are you staying?' He said to them, 'Come, and you will see.' So they went and saw where he was staying, and they stayed with him that day" (John 1:38-39a).

Objective: To demonstrate proper fishing techniques and survival skills with fishing.

Achievement Course: Knots
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: 2-4 months

Mary, Undoer of Knots, Pray for us!

In the 2nd century the bishop of Lyon, Saint Irenaeus, made the comparison of Eve and the Blessed Virgin Mary. He said, “the knot of Eve’s disobedience was loosed by the obedience of Mary. For what the virgin Eve had bound fast through unbelief, this did the virgin Mary set free through faith.” (*Adversus haereses*, 3, 22) These knots are the many problems/sins that we face or bring upon ourselves during our lives. Pope Francis has a great devotion to Our Lady and encourages our devotion too.

Objective: To demonstrate a proficient skill level in knot tying.

There are dozens of knots that might be learned and never used in day to day life, so we have decided to focus on learning some common knots and to put them to good use.

Achievement Course: Latin
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: 6-9 months

St. Jerome, pray for us!

St. Jerome was born around the year 342 in Dalmatia and was brought up in the Christian Faith. St. Jerome was sent to Rome at an early age and quickly became a scholar. He learned to speak both Latin and Greek languages. While in Rome and surrounded by pagans he struggled to hold close to the Christian Faith. Although, in 360 he was baptized by Pope Liberius. After his baptism his faith continued to deepen with studies and over the time spent with the monks in Antioch. Pope Damasus turned to him for counsel and dealings concerning the Antioch schism. While in Bethlehem, he undertook the difficult and laborious task of translating most of the Old Testament from Hebrew into Latin. This translation set into motion the pathway for the Vulgate, which is the Catholic Church's Latin version of the Old Testament. He is one of the Catholic Doctors of the Church for defending the Divine Word and is the patron saint of librarians and translators.

“The use of the Latin language prevailing in a great part of the Church affords at once an imposing sign of unity and an effective safeguard against the corruptions of true doctrine.”
Venerable Pope Pius XII, Mediator Dei, 1947, Sec. 60

“The day the Church abandons her universal tongue [Latin] is the day before she returns to the catacombs.”
Pope Pius XII

Objective: To learn the basic level of spoken and sung Latin with proficiency.

Latin is the official language of the Catholic Church, and the sacred language of the Western Catholic Churches and Rites (Roman, Ambrosian, Dominican, etc.). It is the language of the official Bible of the Church, the Latin Vulgate. Many Popes and Saints have urged Catholics to learn, use, and love the Latin language. It is truly a Catholic (universal) language, spanning the entire Church around the globe.

As the Troops of Saint George are both an international and a Catholic movement, we wish to respond to the calls of the Popes and inculcate a love of the Latin language into our Cadets and Tribunes. This Achievement Course is designed to introduce a basic level of spoken and sung Latin proficiency. Because of this focus, you won't find any requirements here dealing with grammatical concepts like declensions and conjugations. By introducing Latin in a less formal and academic way, we are aiming to instill a love of the Church's language, with the hope that many of our Cadets and Tribunes will go on to pursue a deeper study of Latin.

Prayer to Venerable Pope Pius XII

O Venerable Pope Pius XII, who had on earth great courage to preach the word of God, vigor to repel the enemies of the Church, and zeal for the Holy Name, pray for us poor sinners. May we, O Pius, have a double portion of thy righteous qualities in defense of our holy Church. May we never abandon our duty to defend the faith, with fortitude, wherever we are and in whatever state God hath put us. Venerable Pius, may we, like thee, show the radiant glory of our Holy Lord in everything we do and say. And this, through the graciousness of the Divine Majesty, to Whom we humbly ask thee to pray for our benefit and protection.

Through Christ our Lord. Amen.

“Latin is the immutable language of the Western Church.”

Pope Saint John XXIII

“For the Church, precisely because it embraces all nations and is destined to endure until the end of time ... of its very nature requires a language that is universal, immutable, and non-vernacular.”

Pope Pius XI, *Officiorum Omnium*, 1922

Note that there is a lot of memorization required for this Proficiency Course. We recommend that Cadets not attempt to memorize everything at once, and that they incorporate some of the prayers and songs into their personal and Troop prayer traditions to help retain what they have learned.

A full course with video lessons is forthcoming, but in the meantime a pronunciation guide and many of the prayers and songs listed here can be found on the Thesaurus Precum Latinarum (<http://www.preces-latinae.org/index.htm>).

Saints Crispin and Crispinian, pray for us!

Saints Crispin and Crispinian are the patron saints of leather work and cobblers. They preached by day and made shoes and leather items by night to support themselves. They were martyred in the third century and their feast was immortalized by William Shakespeare's Saint Crispin Day speech in his play "Henry V".

Objective: To learn the basic art of leather crafting and demonstrate that knowledge through leather projects.

Leather work is not something that many of us have experience with, but men in the wilds as recently as 100 years ago in the USA had to be able to make clothes for themselves, and using animal hides was the best way to make a set of clothes or shoes that would stand up to the rugged life they led. There probably won't be a shortage of malls selling everything under the sun in the near future but you may find yourself in a situation one of these days where having leather working skills will prove very useful.

I. Types of Leatherwork

- A. **Stamping** - With a slightly wet sponge moisten the piece of leather, but not too much or it will be too drippy. Make sure to position your piece of leather over a piece of hard stone or a steel anvil. Using hand stamps and a wooden mallet / hammer, position the stamp over the spot and hit the stamp handle on top with the mallet a couple of times. If hit too lightly, it will not impress the shape into the leather and will fade out over time. Repeat this process over the area of your leather as often as you want the image stamped in to your piece of leather.
- B. **Carving** - With a slightly wet sponge moisten the piece of leather, but not too much or it will be too drippy. With a **Swivel Knife**, make bold cuts in the leather to half the thickness of the leather. Keep the knife in a vertical position at all times to allow for proper stamping later on. Then shade the cut on one side with a **Pear Shader**, using a mallet to press and shade one side of the cut at a constant color. A **Beveler** is used to create a curved surface on one side of the cut to help create the illusion of a depth to the cut fabric. **Veiner** or **Shell Tool** is used to create closely spaced lines for the look of a curved line. A **Seeder** is used to create a small circular impressions that look like small seeds. Remember not to hit all of these too hard or it will push it all the way through the leather.
- C. **Molding** - Submerge the entire piece of leather in warm water until it is soaked all the way through. Once it is soaked all the way, bring it out of the water and start molding and pressing it into the shape that is desired. The leather surface is very malleable at this time, and as it cools down and starts drying out, it slowly loses its flexibility for molding. Make sure not to impress anything into the leather surface at this point, since it will make a lasting impression on it. Make note, each time the leather is submerged in warm water and dries, the leather will shrink down in size.
- D. **Shaping** - Submerge the entire piece of leather in water and get it completely wet. Once it is wet, pull it out and wrap it around the desired object or form. Make sure that the form is not metal, since it will rust and stain the leather. Attach non-painted or stained leather thongs or strings around the leather to keep it pressed to the desired molded shape. Tie these off but do not leave impressions in the leather, then let sit until leather is completely dry.
- E. **Staining / Dyeing** - Stain the leather with a rag, dipping it into the stain and applying it evenly to the leather surface. With a clean rag, wipe down the entire leather surface after finishing staining. Let dry. Once all the different color stain and dyeing / paint has been applied and dried, spray with a special lacquer for leather. This will seal the stain / paint in so that it does not rub off easily.

- F. **Painting** - Use water based acrylic paint and thin out with water for desired intensity. Brush on or apply with rag or other for smaller detail work. Once all the different color stain and dying / paint has been applied and dried, spray with a special lacquer for leather. This will seal the stain/paint in so that it does not rub off easily.
 - G. **Lacing** - With a hole punch, punch out holes evenly spaced along the two edges that are being stitched together. Thread a large sewing needle with lacing and tie the end of the lacing so that it does not slip thru the first hole. Start at one end, and choosing one from the many different decorative stitches, sew the two pieces of leather together with the leather lacing. Tie the leather lacing off at the end so that it does not slip back through the last hole and trim with scissors.
 - H. **Riveting** - Riveting is used instead of lacing to attach two pieces of leather together for stronger and longer durability. Rivets come several different sizes and for each size there are two different ends, so that when put through the holes punched in the two pieces of leather, the inside, non- decorative end of the rivet is hit with a hammer and pressed into the flat headed end of the other rivet piece. Thus the two pieces of leather are securely riveted or crimped together.

St. Eligius, pray for us!

St. Eligius is the patron saint of mechanics. He was born near Limoges, France around 590. He was a prominent metalsmith and was the master of the mint under the king. He was very generous with his wealth by ransoming slaves, aiding the poor, building churches, a monastery, and a convent. When he was about 50 years of age, he became a priest and then a bishop. He helped many people to know God and many people converted to the Christian faith. Early in his life as a metalsmith, he helped many people with his wealth and through his vocation as priest he led many people to our dear Lord and Savior, Jesus Christ.

Saint Thomas More, pray for us!

Saint Thomas More was born in 1478 in London, England. Thomas' father provided him a solid Catholic education and at the age of 13, placed him in the home of the Archbishop of Canterbury's home for further training. Saint Thomas studied law at Oxford and after discerning his vocation, had a brilliant and successful career, married and had 4 children. Saint Thomas eventually became the secretary and personal advisor to King Henry VIII, who appointed him as Lord Chancellor of England in 1529.

At the height of his career, Saint Thomas More resigned his position when King Henry broke with the Pope and declared himself Supreme Head of the Church of England. In 1534, Saint Thomas and his close friend, Bishop and now Saint John Fisher, were imprisoned in the Tower of London for refusing to render allegiance to the King as head of the Church. Saint Thomas More was convicted of treason 15 months later. While on trial, he told the court that he could not go against his conscience. He was beheaded on July 6, 1535. II. A Song for a Nation (Essay)

One of the great pleasures of riding a bicycle in a state as long-settled as Rhode Island is that, when you're not in the city, you often find yourself in the midst of a palimpsest of human life in its passage through the many years. There are the little "historical cemeteries," about a thousand of them, sometimes no more than a small family plot, protected by iron fences and dutifully tended. There are the miles of low stone walls running zigzag through the woods, marking what used to be fields and pastures. There are square pits in the earth, old root cellars, perhaps; and sometimes the walled embankments of a diverted stream, to provide power for a gristmill that no longer stands.

I wasn't born here, but I have grown fond of the place, with its geographical and historical bumps. I now can order a grinder at a diner or a cabinet at an ice cream stand, and can, for the voice of a Cyclops, turn a short a into a triphthong and swallow my *r*'s like any tattooed fisherman or real estate salesman around. I know where the fallen trestle is on the train bed that is now a bike path, and something in me is fond of that big broken tooth, though I'll admit that it might provide a rude surprise for the unwary.

I find it hard to love my country without first turning to the crazy coal heap in Pennsylvania where I was born, or to this bumptious county trying so very hard to be a real state. Yet I suspect that's all right, after all. C. S. Lewis imagined heaven as an English countryside—why not? Surely there is some of heaven in that land, however difficult it may be to see sometimes, or to hear, or to touch. The old *pagani*, the "hillbillies," to translate the Roman word loosely, knew that love well, and clung to their old ways long after the Good News had been preached in the cities. I hope the Lord looked gently upon their blockheadedness, because just as to love one's father on earth is preparation for loving one's Father in heaven, so to love the land of one's mortality is preparation for loving the land of immortality.

That's why we *ought* to sing patriotic hymns. I don't mean songs that merely boast of the military bravery of Frenchmen or the cool wisdom of Italians, or the enlightenment of the sprouts of Brussels: "See where the meddling lawyer comes!" I mean *hymns*, songs that place love of country in the only light where it can really flourish and not grow wild and bitter, or wither away: in the light of the countenance of God.

Therefore my favorite anthem on Independence Day is the humble one that was once simply called "America":

*My country, 'tis of thee,
Sweet land of liberty,
Of thee I sing:
Land where my fathers died,
Land of the pilgrims' pride,
From every mountainside
Let freedom ring.*

The mortal part of my father, God bless him, now rests on a sunny hillside in my hometown; and how could I not love that place? When I was a child, I heard Mass there every year with all the paraders on Memorial Day, and now, beside his grave, as beside so many others, stands a small American flag, witness to his service.

But lest we suppose that our love is only to a concept—freedom, so little understood—the second stanza brings us to the little country bridge that spans earth and heaven:

*My native country, thee,
Land of the noble free,
Thy name I love
I love thy rocks and rills,
Thy woods and templed hills;
My heart with rapture thrills
Like that above.*

I doubt whether one person in a hundred could now understand those words. We sing—not of Mount Rushmore or the Mississippi, but of the small and the beloved, the running streams and the hills that are hushed like holy temples, and we can nearly say, with the saint, that whether in the body or out of the body, we are caught up to the heaven of heavens.

If we do stand for an idea, that idea is also a call, and one made by a man who climbed the hills of his own native land:

*Let music swell the breeze,
And ring from all the trees
Sweet freedom's song;
Let mortal tongues awake,
Let all that breathe partake,
Let rocks their silence break,
The sound prolong.*

So when the Pharisees demanded that Jesus rebuke his disciples for saying, "Blessed be the King that cometh in the name of the Lord," Jesus replied, "I tell you that, if these should hold their peace, the stones would immediately cry out" (Luke 19:38–40).

Do the rocks then break their silence, reverberating the song of freedom? Yes, because they proclaim the very bestower of freedom. The man who penned these lines, Samuel Francis Smith, saw his countrymen as exchanging one king for another, a king who had exercised unjust dominion over the American people for the true King whose dominion sets men free:

*Our fathers' God, to thee,
Author of liberty,
To thee we sing:
Long may our land be bright
With freedom's holy light;
Protect us by thy might,
Great God, our King.
And to that, let every loving heart cry, Amen!*

III. Pilgrims Planted (Essay)

The Patriot Loves His Land Because It Is a Shadow

I'm not sure what our schoolchildren are taught about the Pilgrim Fathers these days. Probably not much. They may be taught that they sailed from England to escape persecution by the state church, and that they were generally inept folks who would all have died were it not for the assistance of a gentle Indian named Squanto, who showed them what maize was and how to fertilize the flinty New England soil with dead fish. For that, they gave the first Thanksgiving dinner, to Give Thanks, and invited the Indians, to whom they also gave thanks.

But the students surely are not taught what a pilgrim is, literally. The Latin *peregrinus* means “somebody who wanders across the fields,” and was adopted in the Middle Ages to refer to one who made the arduous trip overland—and finally over the Pyrenees—to the shrine of St. James at Compostela, in Galicia.

Essential Piety

Such journeys are of the essence of Christian piety. For the call of the pilgrim is older than the Middle Ages, older even than the New Testament. In a way, it is as old as creation, when the Word went forth from the Father, not to return in vain.

It begins, certainly, with our first parents. The Lord expelled the first sinners from the garden, when, as Milton says, “The world was all before them, where to choose/ Their place of rest, and Providence their guide.”

Enoch walked with God, and then one evening was seen no more. Noah ventured upon the billowing seas in an “ark,” a box, and, as my colleague Patrick Reardon has written, that rare word is the same used to describe the little wicker basket wherein the baby Moses was placed upon the waters.

Abraham, without a Baedeker, by camel and on foot, took his weary way from Ur of the sophisticated Chaldees to the land the Lord would show him, a land he knew nothing of. The great Passover meal is eaten as if in haste, with one’s loins girt and staff in hand, ready for a journey. The commandments are placed in another Ark, and for generations that Ark resides in a tent, moving from place to place. Jesus goes before us to Galilee, then to his Father’s house, to prepare a dwelling for us there.

The Christian faith is a faith on the move, secure in the kingdom of God that is already among us, but awaiting the kingdom to come in its fullness. We know that our homes are not here; we are all like Abraham, our father in faith, strangers in a strange land.

Yet it is liberating, that knowledge that no farmland however rich, no hills however green, no city however just can claim our final allegiance as our home. It frees us to forgive the stumps and stones, the abandoned machines, the burnt-out tenements, the buckled roads, the commissioners on the take, the mosquitoes from the marsh, the swelter in August and the frozen mud in February.

We can be stable, steadfast—planted in one place. So were the monks who lived under Benedict’s rule. Because they were pilgrims, they knew that no one place here could satisfy the heart. So with a free conscience they took a vow of stability, and devoted their earthly attentions to one place, praying there, and clearing woods, draining swamps, tilling fields, and draping the hills with the vine.

With the same spirit of longing for home, and a similar care for their less than perfect new place of sojourning in a cold and harsh land, the Pilgrim Fathers stayed close to where they built their first village. Such a pilgrim is a patriot in the most perfect sense. He loves his land, and devotes himself to it, because it is a shadow of the *patria* he truly loves, and towards which he is always walking. The grace of the Father calms our hearts, and spurs us on, as the Father himself is ever in act, and ever at rest.

What is the converse of the pilgrim? The wanderer, seeking the peace that cannot be found on earth; godless, therefore strangely landless, making an idol of every city or every earthly delight he happens upon, but turning against it when it proves to disappoint.

Such wanderers are restless, yet fixed in a dreary stasis. They are always going here and there, to no end, as men inextricably lost in the windings of a labyrinth. “God help the man so wrapped in Error’s endless train,” says the poet Spenser.

True Valor

How to love our land of trouble by loving the Land of Rest and setting our hearts upon it? Let the virtue of patriotism be baptized and transformed by loyalty to Christ. John Bunyan loved his native England even when she saw fit to toss him in jail for his religious dissent.

Thence came the great *Pilgrim’s Progress*, wherein we read, in a good old muscular hymn, that the “true valor” of an English Christian, a valor that will not quail for wind or weather, is constancy in pilgrimage, steadfastness in being on the move towards the city of God:

*Hobgoblin, nor foul fiend
Can daunt his spirit:
He knows, he at the end
Shall life inherit.
Then fancies fly away,
He’ll fear not what men say,
He’ll labour night and day
To be a pilgrim.*

Pilgrims and patriots, a Happy Thanksgiving to you all.

Achievement Course: Public Speaking
Recommended Ages: 10-18 years of age
Approximate Completion Time Frame: 3-6 months

Saints Peter and Paul, pray for us!

The Public Speaking Achievement Course will challenge you to step outside of your comfort zone by getting up in front of your community and peers and making oral presentations. If you work to overcome your fear of public speaking and really embrace the principles set forth in this Achievement Course, you will have the beginnings of a skill that will serve you well in every aspect of your life as a Catholic gentleman. Our dear Lord was a very good speaker and because of this, He was able to hold the attention of His listeners and teach them the saving truths of the Gospel. We as Catholics have been sent into the world to follow our dear Lord's example and to not only be sanctified through obedience to our Lord, but to bring others to Him. One of the most effective ways to do this is by having a knowledge of the faith, a love for our Lord and His Mother, and the ability to share this knowledge and love with others through the spoken word. "Faith comes through hearing" says Saint Paul (Romans 10:17) and Saint Peter tells us "*Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have.*" (1 Peter 3:15)

Objective: To demonstrate public speaking skills confidently.

- I. Requirements (All of the following must be done in front of your Troop or Church.)
- A. Speak publically, in one or more of the following ways, a total of 5 times.
1. If it is an option at your parish, lector.
 2. Present, tell the story of a Saint (not a skit) at a Troop event, e.g. campfire.
 3. Perform or give a speech at a Troop event (e.g. Troop meeting, campfire) that you have written, or some other worthy speech, e.g. St. Crispin's Day Speech.
 4. Read and discuss the upcoming Sunday readings with your Troop on a campout or Troop meeting.
- B. Write and act in a play with no less than two characters about your favorite Saint. (This play must last at least 5 minutes).
- C. Write and present a speech on a topic about the Troops of Saint George, Catholicism, or the Canonization of a new Saint.
1. Before you give your speech
 - a. Know your material - Pick a topic you are most interested in. Know more about it than you include in your speech (this will help if you answer questions at the end). Use humor, personal stories and conversational language; that way you won't easily forget what to say.
 - b. Practice, Practice, Practice - Rehearse out loud with all equipment / props you plan on using. Revise as necessary. Work to control filler words (like umm, and uh); practice, pause, and breath. Practice with a timer and allow time for the unexpected.
 - c. Know the audience - Greet some of the audience members as they arrive. It's easier to speak to a group of friends than to strangers.
 - d. Know the room/area - Arrive early, walk around the speaking area and practice using the microphone and visual aids.
 - e. Relax - Begin by addressing the audience. It buys you time and calms your nerves. "Good evening..."pause, smile, count to three in your head before you say anything else. Transform nervous energy into enthusiasm.
 - f. Visualize yourself giving your speech - Imagine yourself speaking, your voice loud, clear, and confident. Visualize the audience clapping; it will boost your confidence.
 - g. Realize that people want you to succeed - Audiences want you to be interesting, stimulating, informative, and entertaining. They are rooting for you.
 - h. DO NOT APOLOGIZE - for any nervousness or problems. The audience probably never even noticed it.
 - i. Concentrate on the message, not the medium - Focus your attention away from your anxieties and concentrate on your message and your audience.
 - j. Gain experience - Your speech should represent you as an authority and as a person. Experience builds confidence, which is key to effective speaking.

D. Prepare and make a Toast to your Captain (at the campout closest to his birthday). Remember these tips:

1. Don't make it about yourself - say nice things about your subject, not you.
2. Keep it short - The audience is not here to listen to you speak, they are here for the Guest of Honor.
3. Embarrassing stories are not always funny - "I remember the time when John wet his pants in front of everyone!! That was so funny." Not to John. Do not use a "you had to be there moment." The audience was not there, so it is not funny, just embarrassing all over again.
4. Pick one story, maybe two, do not ramble on with 27 different stories. Pick one or two that shows the type of person the honoree is.
5. WRITE IT DOWN and rehearse it - Do not wing it! Take the time and write it down. This not only gives you time to remember more stories to choose from, but you can get them right.

Saint Thomas Aquinas, pray for us!

St. Thomas Aquinas was born in 1226 in Italy. By the age of 5 he was sent to learn with the Benedictines. He was a quick study and showed signs of understanding and living the virtues early on. After prayerful consideration and against his family's wishes at the age of 17 he entered the Order of St. Dominic. He made his profession of vows in Naples years later. He then went to Cologne to study under St. Albert the Great. His classmates nicknamed him the "Dumb Ox" due to his large size and his quiet nature. Although, he was quite a brilliant student. By the age of 22, he started teaching and publishing his writings. He became a priest and went to Paris for further studies while earning his doctorate by the age of 31. While in Paris, he became friends with the king of France, St. Louis.

Pope Urban IV asked him to write hymns and prayers for a new feast for the Body and Blood of our Lord, the Feast of Corpus Christi. *Tantum Ergo Sacramentum*, *O Salutaris Hostia*, and *Pange Lingua* are just a few of his works that we still sing today. His greatest acclaimed work is *Summa Theologica*. This was never finished due to his death from an illness in 1274, while on the way to the second Council of Lyons. He is one of the Doctors of the Church and is known as the "Angelic Doctor." He is the patron saint of all universities and students.

St. Christopher, pray for us!

St. Christopher lived during the 3rd century. He was a martyr that died for his Christian Faith. There are legends about him concerning his great strength and faithfulness. One legend states that a child needed to cross a river and wanted St. Christopher's help. When St. Christopher picked up the child he noticed that the child felt a lot heavier than expected. When St. Christopher looked up at the child on his shoulders he noticed that it was the Child Jesus with the weight of the world on His shoulders. St. Christopher is the patron saint of travelers, he is invoked against storms, and plagues.

Objective: To demonstrate an above average level of physical fitness.

These fitness tests are designed to determine a minimum level of fitness and the average 15 year old cadet should not have much of a challenge achieving at these levels if he has a mind to do it. Please make sure you are prepared for the physical activity that is called for by this Achievement Course. We expect that most cadets will have to work up to achieving each test involved in this AC. Please do not attempt any of these tests without discussing your preparation with your father/guardian to ensure physical readiness. Remember that it is better to have to do the test multiple times than to hurt yourself by pushing beyond your present abilities.

The below tests can be done separately. The tests will be administered by the cadet's father/guardian or troop leadership. Below are included links to YouTube on how to properly do the exercise. **There will be cases where one of these exercises can't be done by a cadet for unique reasons, if you find yourself in that situation please offer an alternative to your troop leadership for consideration.**

Please ensure you have a monitor when you are practicing or testing in the pool.

- I. Requirements
 - A. Run 2 miles in under 18 minutes or Hike with a 40 lbs. load 5 miles. Both tests should be done on flat course.

Tribunal Project

Complete a major project that entails fundraising and the recruitment of a team of volunteers from within your troop.

Examples:

Landscape the grounds of your parish with flowers, shrubbery, new trees, and statues of the saints.

Erect an impressive outdoor Stations of the Cross.

Erect a noble outdoor shrine to the Saint Joseph, our Blessed Mother, or another saint.

Replace and install new pews in your parish.

Tribune's Survival Ordeal

This is a 24-hour ordeal for the young man or man that tests the Tribune Candidate's knowledge of the 20 Achievement courses. It consists of Day 1, Night, and Day 2. The candidate cannot eat past 1pm on the day his trial begins (Day 1).

The Tribune Candidate is given the following 12 items:

- i. Tarp no bigger than 10 foot by 10 foot
- ii. A metal cup
- iii. Compass and map marked with final destination
- iv. Flint and Steel
- v. Drier lint or charred cloth
- vi. Pocket knife
- vii. Fishing line and one hook
- viii. 1 canteen full of water
- ix. Roll of Duct Tape
- x. Roll of String
- xi. 1 hotdog to be used as food, fish bait, or for trapping
- xii. Fog horn
- xiii. First Aid kit

The candidate is not allowed to use the fog horn or first aid kit unless he runs into trouble or becomes injured. The fog horn is to signal for help or to signal that he gives up and forfeits.

On Day 1, between 1pm and sundown, the Tribune Candidate is blindfolded and taken by others to an unknown location.

During his 24 hour Ordeal, the Tribune Candidate should:

1. Pray the Rosary and Chaplet of Divine Mercy on both Day 1 and Day 2
2. Formally Consecrate Himself to the Blessed Virgin Mary (*ideally using the 33 day preparation of Saint Louis de Montfort prior to this Ordeal*)
3. Read Sacred Scripture, preferably readings from Proverbs and the four Gospels

After noon on Day 2, the Candidate must compose a poem or personal reflection of his time in the woods. He can share it or keep it private. He should keep this reflection as the special testimony of his time with God in the wilderness.

After sundown on Day 2, using his compass and map, the Candidate must stalk up on the destination marked on the map where his troop will be waiting for him. To the best of his ability he must sneak into the camp and reveal himself alive to the Troop. He will reveal himself by shouting "Saint George!" and the troop will respond "Pray for us" and will congratulate and celebrate him and his accomplishment.

Immediately after being celebrated, the Troop will award him with a grilled steak, which is already prepared for him along with a nice dinner and dessert.

The Captain will promise him the rank of Tribune and welcome him into the Tribunes of Saint George.

An official ceremony will be held soon after at the local parish or at an appropriate setting where the man's family and friends can be present. Ideally, the rank and membership should be conferred after the Holy Sacrifice of the Mass. If the new Tribune would like to share his Ordeal poem or reflection, this would be the occasion for him to do so.

Customs and Ceremonies

General TSG Customs

- Cadets should ALWAYS address adults with “sir” or “ma’am”.
- Cadets should always, whether formal TSG activity or out in everyday life, greet and address their Officers by their Rank. If in the “civilian” realm, the Trinitarian Salute is not necessary.
- “Standing at Attention”: As applicable, this posture requires the TSG member to stand with their chin up, chest out, shoulders back, heels connected, feet extended at approximate 45 degree angle and arms fixed to the side with their thumb parallel with their pants seam.
- Refer to section on the Trinitarian Salute earlier in this document for specifics on the salute.
- Saluting your National Flag:
 - Outdoor in Uniform: Trinitarian Salute to the brim of the hat or eyebrow if no hat
 - Indoor in Uniform (remove hat): Trinitarian Salute to the eyebrow
 - Out and Indoor not in Uniform (remove hat): Place hand over heart
- Salute your officers with the Trinitarian Salute when arriving and departing. Thank them when departing.
- Taps: As applicable, stand at attention with no salute for the duration of taps

Ceremony for Hoisting or Lowering the National Flag

Facing the National Flag, and working Left to Right, The Troop Captain, 1st Lieutenant, Youth Sergeant and Youth Corporal will stand centered and between the flag pole and the Senior and Junior patrols.

Facing the National Flag, and working Left to Right, the Senior and Junior Cadets Patrol’s Leadership will line up. Behind the patrol leadership, and in 3 wide maximum formation lines, cadets and then adults will fill in the formation as seen in below diagram.

- The patrols, left to right, will be the most senior to the least.
- The front line of each patrol formation will check spacing by one arm length to their right with the balance of the patrol falling in neatly behind.
- When falling into formation, the Adult and Youth Members should walk briskly.

Example Flag Formation (This formation can also be used for whenever the Captain needs to call the troop to order or to get a headcount. O = Adult Leadership / o = Youth Leadership / x = Youth Members / X = Adult Members):

Example Flag Ceremony “Call to Order”

Captain: (Exemplified assumes marching in from the left)
“LEFT FACE”, “READY.....TO”
Cadets rotate left to face the flag

Captain: “A –TEN –HUT”
Cadets go from rest to the “standing at attention” position

Captain: “DRESS – RIGHT –DRESS”
Cadets in front row adjust arm to shoulder length to the right

Captain: “READY FRONT.....ADJUST”
Cadets and adults line up with the cadets and adults in front of them

The Color Guard / Flag Bearers walk in a single file line and ready the flag.

Captain: “COLORS”

Either when the captain calls “HAND SALUTE”, or at the first bugle note, all salute.

Salute through the “colors” and Pledge of Allegiance, until bugle “1st call” or the captain calling “A –TEN – HUT”.

Captain: “DISMISSED”
Cadets and adults fall out (prior to dismissal, Captain or other Leader may address the formation to discuss the day’s agenda).

Recite the 7 Sacraments from memory.

Sacrament of Baptism

Sacrament of Penance

Sacrament of the Eucharist

Sacrament of Confirmation

Sacrament of Extreme Unction or Anointing of the Sick

Sacrament of Holy Orders

Sacrament of Matrimony

Explain in your own words to your Troop Captain or Patrol Lieutenant the difference between mortal sin, venial sin, and original sin.

Original Sin: Originally Adam and Eve were constituted in sanctifying grace and righteous before God. After they sinned, all humans are conceived in original sin. Original sin is being born without sanctifying grace. We are born again through holy baptism.

Mortal Sins: Mortal sins are grave or serious sins that we do with full knowledge of their evil and with full consent. Mortal sins break our loving relationship with God. We must go to sacramental confession to a priest in order for mortal sins to be remitted.

Venial Sins: Venial sins are less serious sins that do not rupture our relationship with God, but still hurt others, ourselves, and offend God. We should try to avoid all venial sins. Venial sins are forgiven by devoutly using holy water, receiving Communion in a state of grace, devoutly saying the Our Father, or devoutly saying an Act of Contrition.

Explain in your own words to your Troop Captain or Patrol Lieutenant how the Body and Blood of Christ, after the consecration, is different from normal bread and wine.

Before the consecration, bread and wine are simply bread and wine. When the Catholic priest recites "This is my Body" over the bread (which can look like a small round cracker), the bread turns into the Body of Christ. Likewise, when the Catholic priest recites, "This is the chalice of my Blood" over the wine, it truly becomes the Blood of Christ. This is a miracle and in this miracle all the physical "accidents" or properties of bread and wine remain: color, size, taste, and texture. With the five senses, it looks exactly the same. But through faith, we know it to be truly the real Body and Blood of Christ.

St Luke's Oxen (or Bulls)

Spiritual

Explain in your own words to your Troop Captain or Patrol Lieutenant the difference between Heaven, Hell, and Purgatory.

Heaven is where God calls all people to live with Him. We need His grace in order to enter into Heaven. Through grace we have faith, hope, and charity. In Heaven, we will see God face to face. The Catholic Church calls this the "Beatific Vision."

Hell is where people go if they do not love our Lord Jesus Christ. Jesus Christ came to save all humans from Hell. However, each of us must respond to God's grace with his free will. If we are hateful toward God and our fellow man, we are choosing to go to Hell.

Purgatory is transitional place where believers in Jesus Christ go to be purified and "saved through fire" (1 Cor 3:15). If your life is not fully in accord with the grace of Jesus Christ because of venial sins or the temporal punishment left over from previously forgiven mortal sins, you will go to Purgatory. Purgatory is where God makes us ready to enter Heaven. Everyone in Purgatory will eventually go to Heaven.

Explain in your own words to your Troop Captain or Patrol Lieutenant how God is a Trinity of Divine Persons.*

There is only one God. We Christians are monotheists, which means "one God." Yet God has revealed Himself as a Trinity of Persons: the Father, the Son, and the Holy Spirit. There are not three gods or three parts of God. Rather all three Persons are truly one God. The Son is eternally begotten of the Father. The Holy Spirit proceeds from the Father and the Son.

Recite the mysteries of the Rosary

Joyful: Annunciation, Visitation, Nativity, Presentation, Finding in the Temple

Luminous: Baptism of Christ, Wedding at Cana, Proclaiming the Kingdom, Transfiguration, Last Supper

Sorrowful: Agony in the Garden, Scourging at the Pillar, Crowning with Thorns, Carrying of Cross, Crucifixion

Glorious: Resurrection, Ascension, Pentecost, Assumption of Mary, Coronation of Mary as Queen of Heaven

Learn the legend of Saint George by heart and tell the story to your family and patrol. Know the details of the dragon, the princess, his chastity, and his martyrdom.

The boy should know these details of the legend:
There was a kingdom that was terrorized by a dragon
The king and the people fed their children to the dragon to appease it
The king through lottery was forced to sacrifice his own daughter to the dragon
Saint George showed up in time and killed the dragon by invoking the name of Jesus Christ and rescued the Princess
Saint George told the people that it was the power of Christ that killed the dragon
Saint George invited the people to be baptized, which they were

What does the dragon represent?

The dragon represents Satan and all evil forces in this world. Each man is called to “slay his dragons” or overcome the forces of evil in his life and in the lives of others.

Explain in your own words the difference between angels and demons. Why did Satan tempt Adam and Eve? Why does Satan still tempt us?

Angels were originally created by God, but Satan and one third of all the angels rebelled from God and became evil demons or devils.

Satan tempted Adam and Eve because he wanted to offend God, but also because he worried that God might conquer Satan through the seed of the woman. This points forward to Mary who is the New Eve and her Son Jesus who is the New Adam.

Satan tries to tempt us in order to displease God, but also to rob us of eternal life - something that the devil has already forfeited.

Physical

Explain to your Captain or Patrol Lieutenant what is meant by “good sportsmanship.”

Good sportsmanship is an attitude that finds joy in the competition of the game and the fellowship of teammates and competitors. There is nothing wrong with wanting and striving to win. Yet when we win, we should not brag. We should remain humble and friendly. When we lose, we must not complain, make excuses, or feel dejected.

Patriotic

Learn the story about Saint Thomas More. How did his martyrdom mirror the martyrdom of Saint George? What does the Catholic do when his nation asks him to act contrary to his faith and conscience? Would you, by the grace of God, lay down your life for your faith in Christ?

The cadet should research the life of Saint Thomas More and learn that he was the Chancellor of England under King Henry VIII. Although Thomas More was the second most powerful person in the kingdom, he would not approve of King Henry VIII's false marriages or of the king's desire to split the Church in England away from the Pope. Although most politicians obeyed King Henry VIII and abandoned the Pope, Thomas More stayed true to his Catholic faith. Eventually, the king beheaded Thomas More. He is a saint that reminds us that being

a Catholic disciple of Jesus Christ and faithful to the Church is more important than money, prestige or political power.

How can we be patriotic, even if our nation and politicians promote evil laws contrary to the will of God?

According to Thomas Aquinas, being patriotic is a religious virtue and duty that we should all strive to maintain. Patriotism is the love your land and your people. You may disagree with the laws, customs, or decisions, but you still love your land. A person may still love and honor his family, even if he doesn't agree with the decisions of certain family members. The same is true for patriotism.

Explain to a parent or guardian in your own words what is meant by “natural law.”*

Natural law is the law written on every human heart. Catholics believe that every human can establish the moral precepts of right living even without a Bible or Catechism. We know that murder, adultery, theft, and idolatry are wrong from natural law. Saint Paul says that all humans are without excuse because this law is written on our hearts.

Common Prayers for TSG Campouts and Meetings

Prayers of the Holy Rosary:

Apostles' Creed

I believe in God, the Father, Almighty, Creator of Heaven and Earth, and in Jesus Christ, His only Son, Our Lord, Who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died and was buried. He descended into Hell. On the third day He rose again. He ascended into Heaven and is seated at the right-hand of God the Father Almighty. From thence He shall come to judge the living and the dead. I believe in the Holy Spirit, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body and life everlasting.

Amen.

The Our Father

Our Father, Who art in Heaven, hallowed be Thy Name. Thy Kingdom come, Thy Will be done, on earth as it is in heaven. Give us this day, our daily bread, and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil.

Amen.

Hail Mary

Hail, Mary, full of grace! The Lord is with Thee. Blessed art Thou amongst women, and blessed is the fruit of Thy womb, Jesus. Holy, Mary, Mother of God, pray for us sinners, now and at the hour of our death.

Amen.

Glory Be

Glory be to the Father, and to the Son, and to the Holy Spirit, as it was in the beginning, is now and ever shall be, world without end.

Amen.

Fatima Prayer / O My Jesus

O my Jesus, forgive us our sins, save us from the fires of hell, and lead all souls to Heaven, especially those in most need of your Mercy.

Amen.

Hail Holy Queen

Hail, Holy Queen, Mother of Mercy, our life, our sweetness, and our hope. To Thee do we cry poor banished children of Eve. To Thee do we send up our sighs, mourning and weeping in this valley of tears. Turn then, most gracious Advocate, thine eyes of mercy toward us. And after this, our exile, show unto us the blessed fruit of Thy womb, Jesus. O clement, O loving, O sweet Virgin Mary, pray for us O Holy Mother of God; that we may be made worthy of the promises of Christ.

Amen.

The Rosary Prayer

O God, whose only begotten Son, by His life, death and resurrection has purchased for us the rewards of eternal life, grant, we beseech Thee, that by meditating upon these mysteries of the most Holy Rosary of the Blessed Virgin Mary, we may imitate what they contain, and obtain what they promise: through the same Christ our Lord. Amen.

For Protection & Intercession:

The Memorare

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thine intercession was left unaided. Inspired by this confidence, I fly unto thee, O Virgin of virgins, my mother; to thee do I come, before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy hear and answer me.

Amen.

Angel of God Prayer

Angel of God my guardian dear to whom God's love commits me here. Ever this day (night) be at my side to light to guard to rule to guide. Amen.

St. Michael the Archangel

St. Michael the Archangel, defend us in battle.

Be our defense against the wickedness and snares of the Devil.

May God rebuke him, we humbly pray, and do thou,

O Prince of the heavenly hosts, by the power of God,

thrust into hell Satan, and all the evil spirits,

who prowl about the world seeking the ruin of souls.

Amen.

Night Prayer

Lord, we beg Thee to visit this house and banish from it all the deadly power of the enemy. May Thy holy angels dwell here, to keep us in peace, and may Thy blessings be upon us always. We ask this through Christ our Lord. Amen.

The Act of Contrition:

Act of Contrition

O my God, I am heartily sorry for having offended Thee, and I detest all my sins because of Thy just punishments, but most of all because they offend Thee, my God, Who art all-good and deserving of all my love. I firmly resolve, with the help of Thy grace, to sin no more and to avoid the near occasions of sin.

Amen.

Act of Contrition (Alternate)

My God, I am sorry for my sins with all my heart. In choosing to do wrong and failing to do good, I have sinned against you whom I should love above all things. I firmly intend, with your help, to do penance, to sin no more, and to avoid whatever leads me to sin. Our Savior Jesus Christ suffered and died for us. In his name, my God, have mercy.

Amen.

Act of Contrition (Alternate)

O my God, I am sorry for my sins because I have offended you. I know I should love you above all things. Help me to do penance, to do better, and to avoid anything that might lead me to sin.

Amen.

Daily Prayers:

Morning Offering

O Jesus, through the Immaculate Heart of Mary, I offer You my prayers, works, joys and sufferings of this day for all the intentions of Your Sacred Heart, in union with the Holy Sacrifice of the Mass throughout the world, in reparation for my sins, for the intentions of all my relatives and friends, and in particular for the intentions of the Holy Father.

Amen.

The Angelus

The Angel of the Lord declared to Mary:

(R) And she conceived of the Holy Spirit.

Hail Mary...

Behold the handmaid of the Lord:

(R) Be it done unto me according to Thy word.

Hail Mary . . .

And the Word was made Flesh:

(R) And dwelt among us.

Hail Mary . . .

Pray for us, O Holy Mother of God.

(R) That we may be made worthy of the promises of Christ.

Let us pray:

Pour forth, we beseech Thee, O Lord, Thy grace into our hearts; that we, to whom the incarnation of Christ, Thy Son, was made known by the message of an angel, may by His Passion and Cross be brought to the glory of His Resurrection, through the same Christ Our Lord.

Amen.

Anima Christi

Soul of Christ, sanctify me
Body of Christ, save me
Blood of Christ, inebriate me
Water from Christ's side, wash me
Passion of Christ, strengthen me
O good Jesus, hear me
Within Thy wounds hide me
Suffer me not to be separated from Thee
From the malicious enemy defend me
In the hour of my death call me
And bid me come unto Thee
That I may praise Thee with Thy saints
and with Thy angels
Forever and ever
Amen

Come, Holy Spirit

Come, Holy Spirit, fill the hearts of Thy faithful and enkindle in them the fire of Thy love.
Send forth Thy Spirit and they shall be created.

(R) And Thou shalt renew the face of the earth.

Let us pray. O God, Who didst instruct the hearts of the faithful by the light of the Holy Spirit, grant us in the same Spirit to be truly wise, and ever to rejoice in His consolation. Through Christ our Lord. Amen.

Consecration to the Blessed Mother

My Queen, my Mother, I give myself entirely to you, and to show my devotion to you, I consecrate to you this day my eyes, my ears, my mouth, my heart, my entire self without reserve. As I am your own, my Good Mother, guard me and defend me as your property and possession.
Amen.

Prayer to Saint Joseph

O blessed Joseph, faithful guardian of my Redeemer, Jesus Christ, protector of thy chaste spouse, the Virgin Mother of God, I choose thee this day to be my special patron and advocate and I firmly resolve to honor thee all the days of my life. Therefore, I humbly beseech thee to receive me as thy client, to instruct me in every doubt, to comfort me in every affliction, to obtain for me and for all the knowledge and love of the Heart of Jesus, and finally to defend and protect me at the hour of my death.
Amen.

Grace before Meals

Bless us, O Lord and these Thy gifts, which we are about to receive from Thy bounty, through Christ our Lord.
Amen.

Campout / Activities Coordinator: “The Basics”

There are 3 main components to campouts: religious, activities, and meals

A successful Campout or group Activity starts with an agenda detailing every minute of the campout (*see Example Campout Agenda on the subsequent pages*). Punctuality and staying on point with the agenda is very important and helps with timely meal preparation.

To control expenses and campout fees, it is necessary to set a budget per camper for both activities and food combined (i.e. \$10 Food + \$5 Activities = \$15 per camper).

Beyond keeping campouts engaging and controlling expenses (to which fees are kept down), a campout that encourages members to return starts and ends with ALL families being actively engaged in the many duties. For example, as campers arrive, have a camper select a numbered poker chip(s), to which they match against a listing of “chores” (i.e. gathering wood, preparing breakfast, cleaning up after breakfast, etc.).

As your Troop grows in size, to allow a proper amount of time to shop and prepare food, requiring campout / activity RSVP’s one week in advance is a must.

Again, as your Troop grows in size, a membership at Sams, Costco or comparable bulk purchase markets will allow for discounts and controlling expenses.

If possible, securing a facility with a large refrigeration capacity (i.e. Knights of Columbus Hall or troop member with large freezer space) will help to keep and maintain cool supplies and control costs through buying in bulk in advance.

To save expense on paper products, campers should secure mess kits for repeated use.

Water: 1 Gallon of water per camper for drinking and 2 Gallons per camper for cleaning, cooking, washing, etc.

If not at a state or national campground, “bucket style” outhouses with a popup cover and hole dug for waste (using sawdust to control odor) will be necessary for a bathroom. This setup is searchable online, as well as supplies can be found at your local hardware or outdoor stores. Make sure to put toilet paper in a Ziploc to help with the overnight dew.

Troop “Outdoor Kitchen” basic supplies (in the beginning, everyone pitching in is a great start):

Knives	Metal spoons	Metal grilling tongs
Large grilling spatulas	Can opener	Metal whisks
Metal Bowls	Dutch ovens (<i>quantity dependent on troop size</i>)	
Coffee percolator	Fire tools	Cleaning Tubs
Soap, bleach, sponges, etc.	Water Coolers	Coolers for food
Tables	Totes to store all supplies	Disposables
Ziplocs	Foil	Trash bags
Paper towels	Cleaner disinfectant
